Importance: High

Ms. Patrick,

Please be advised that today, June 10, 2019, while entering receipts for the Illinois State Branch of Operating Engineers (Political Action 21628), I entered a check twice in error. I realized the error upon filing the Schedule A-1. The report had been submitted already, but I have deleted the double entry since. A contribution for \$2,230.17 was entered twice for IUOE Local 649, but there was actually only one check. Entries in the IDIS system are correct now.

If you have any questions, please feel free to contact me. Thanking you in advance for your assistance.
